NORAC, Inc. Acquires Agricultural Scales Inc.

NORAC, Inc. is pleased to announce that they have acquired Agricultural Scales Inc., a Texas-based scale manufacturing company that has been manufacturing weighing equipment for the agricultural industry for the past six years.

“This purchase, provides an opportunity to increase our distribution system in the southern United States,” said Bill Strelloff, CEO. “As NORAC has historically been strong in the northern states, this is an excellent collaboration. Our distribution is strengthened throughout the country and we are now positioned as the leader in agricultural scales worldwide.”

Matt Crawford, owner and founder of Agricultural Scales Inc, has joined NORAC as the Scale Sales Manager for the United States. “I am very excited about the potential of our new partnership”, said Matt Crawford. “NORAC has a well known unique product that supports the livestock industry.”

NORAC’s leading scale product is the Mobile Group Animal Scale for weighing cattle. The patented design has a low profile weighing platform and a rubberized deck which makes loading and unloading animals quick, easy and safe. Legal-For-Trade accuracy allows the operator to easily move the scale from place to place for weighing anywhere, anytime, accurately.

For over 30 years NORAC has been manufacturing scales. From the introduction of Load Bars to the Mobile Group Animal Scale, NORAC continues to lead the industry in innovation, accuracy and durability. NORAC currently employs over 60 full time staff worldwide. For more information, please visit www.norac.ca.

For all sale inquiries please call 866 306 6722.

About NORAC

NORAC, Inc. is based in Minneapolis, Minnesota and is a division of NORAC Systems International Inc. in Canada. For over 30 years NORAC has been manufacturing scales and the experience we have gained, goes into every scale we build. From the introduction of our Load Bar concept in 1980 to our latest development, the Mobile Group Animal Scale, NORAC continues to lead the industry in innovation, accuracy and durability. NORAC currently employs over 60 full time staff worldwide. For more information, please visit www.norac.ca.

Group Animal Scales

NORAC's Mobile and Portable Group Animal Scale have a low profile weighing platform and a rubberized deck which makes loading and unloading animals quick, easy and safe. Legal-For-Trade accuracy allows for weighing anywhere, anytime, accurately.

Single Animal Scales

NORAC's Instaweigh™ Digital Animal Scales are heavy duty electronic load cell weigh scales, available in three capacities, that cover a variety of weighing applications.

OnBoard Scales

NORAC's low profile assemblies continue to provide legal-for-trade accuracy using an improved high cycle NORAC patented lift system. Our OnBoard™ Delivery Units allow you to deliver or pick-up any bulk commodity, anywhere, anytime, accurately.

Truck Scales

NORAC offers permanent, portable and axle truck scales. With a height of just 14", the NORSTEEL™ Permanent Truck Scale is among the lowest in the industry.
